

# THE ORIGINS OF GANG CHU

Gang Chu is soft on the pallet with a pleasant sweetness derived from the Korean fruit extract used to flavor each bottle of this delightful wine.

Gang Chu uses real South Korean fruit juice to provide an authentic, refreshing, and clean taste, and is made with orange wine. The natural Korean fruits have a mild fruity scent. Gang Chu is a Korean themed wine based alcoholic drink with an alcohol volume of 13.8%. Beautifully balanced with a clean and refreshing taste, you can enjoy Gang Chu on ice, chilled, or straight.
